

**Year 7 –(EOY EXAM) papers each 50 minutes**

Paper 1 (Non-Calculator)

Arithmetic Methods  
Fractions of amounts  
FDP conversions  
Fractional and decimal calculations  
BIDMAS  
Symmetry  
Simplifying algebra  
Solving equations  
Negative numbers  
Expanding Brackets  
Angles  
Ratio

Paper 2 (Calculator)

Averages and the range  
Substitution  
Rounding  
Angles  
Ratio  
FDP  
Substitution  
Transformations  
Best value problems  
Setting up and solving linear equations  
Perimeter
